Ms. Trudy Berry, School Superintendent, presented this item. Ms. Berry said that when this item was originally approved, the schools office did not specify what fund line the funds would come from and noted that the project had also been at a stand still due to personnel transitions in the office. She added that the

finance department had requested that the Board approve the expenditure of funds and clarified that this was not a request for additional funding of the project.

Mr. Ortega said that the funds were part of special revenues, not the general fund and added that during the auditing process the lack of a specific fund line had been cited.

Supervisor Searle moved to approve matching funds for the Rural Utilities Service (RUS) Grant in the amount of \$70,000 from fund line 279-9000-491.100. Vice-Chairman English seconded the motion.

Chairman Call called for the vote and it was approved 3-0.

Supervisor Searle moved to approve the new Cochise County Community Used Sharps Disposal Program, a two phase program created and administered by Cochise Health & Social Services (CHSS), offering free sharps disposal locations to County residents, with Phase I beginning by April 1, 2015, and approval to move forward with funding and community partners for Phase II. Vice-Chairman English seconded the motion.

Ms. Mary Gomez, Health & Social Services Director, presented this item using a PowerPoint presentation. Ms. Gomez gave the background for the program and said that the program helped with the safety of disposing needle type items countywide. She noted that the total cost of \$375 would come from a grant, therefore, the general fund would not be impacted.

Vice Chairman English, who sits as member of the Board of Health, said that this would help the County's solid waste system as well as the community.

Chairman Call called for the vote and it was approved 3-0.

STATE & FEDERAL LEGISLATION

12. Discussion and possible action regarding state and federal legislative matters, including but not limited to the items in the attached County Supervisors Association Legislative Policy Committee Agenda and the proposed State budget.

Chairman Call said that staff would have to start planning for worst case scenarios for the upcoming budget for fiscal year 2015-2016.

Mr. Ortega stated that many of the bills affecting counties were passed as permanent law.
